**International course arrangement
for postgraduate Students in France (Master Level)
Course title: "Scientific and (Inter)cultural mediation – New Issues in French
Research on Education"**

03 December 2019 – 10 December 2019

In charge of the course arrangement

Prof. Dominique MACAIRE, Université de Lorraine | INSPÉ | ATILF (Tel. +33 6 07 65 54 42)

In charge of accomodation

Charlotte SIMON, Université de Lorraine | DRIE (Tel. +33 3 72 74 05 00)

In charge of the course

Dr Séverine BEHRA, Université de Lorraine | INSPÉ | ATILF (Tel. +33 6 63 15 54 46)

Dates

Arrival on Monday, December, 2nd (afternoon)

Departure on Wednesday, December, 11th (afternoon)

Course duration

8 days (including weekend activities): 3rd December - 10th December

Aims of the course

The course should provide the students with:

- an opportunity to develop intercultural skills in France, regardless of their level or knowledge of French;
- an insight of some teaching and learning methods focussing on scientific, cultural and intercultural mediation;
- an insight into research on teacher education;
- soft skills to form up learning groups;
- an opportunity to reflect on their experience of mobility.

Learning outcomes

After completing the programme, the students will be able to:

1. understand some issues in research on teacher education;
2. present their experience and what they have learned during the programme;
3. discuss whether/how they could transfer what they have learned to their educational context;
4. produce and share self-created documents on their experiences in Lorraine.

*Venue : Nancy / Campus Lettres et Sciences Humaines / ATILF / Bâtiment CNRS
Room Paul Imbs*

9.00 - 12.00

Introduction of the program.

Visit of the Lab and of the Library
(**Prof Alex Boulton, Dominique Schloupt**).

Lecture: "Mediation" in the field of Research and Teacher education:
Language at work: Presentation of a research project (PART1)
(**Prof Dominique Macaire, Dr Séverine Behra, Dr Maud Ciekanski, Dr
Guillaume Nassau**, ATILF Lab, Team "Didactique des langues et
sociolinguistique" & **PhD Yazdan Choubsaz**).

12.15 - 13.15

Lunch on Campus LSH, Nancy.

*Venue: Nancy / Campus Lettres et Sciences Humaines
Room: A123*

13.30 - 16.30

Lecture: The UNESCO Project "Saint Nicolas"*
(**Dr Cécile Bando, Dr Adeline Clerc, Angélique Dubuisson**).

The city of Nancy and the Lorraine University (Department Info-comm = Information and communication) are working on a project so that the Festivals of Saint Nicholas are identified, protected and preserved as a cultural heritage around the world to be considered of outstanding value to humanity (Unesco). The project aims to inscribe the Festivals of Saint Nicholas on the World Heritage List. An educational resource kit for teachers called "World Heritage in Young Hands" has been published for over 130 UNESCO Member States. This project will be presented to the PhD Students.

Preparation for the upcoming cultural weekend activities with French Master Students.

Presentation of the cultural events of the weekends of December in Lorraine.

****Saint Nicholas** is particularly popular with children. He is considered as a kind of Father Christmas. The City is proud to organise a special festival and a parade in his honour. The Saint-Nicholas' Parade will take place Saturday & Sunday, 07 & 08 December in Nancy. Saint Nicholas' Day is celebrated on December 6th.*

DAY 2 / Wednesday, 04 December 2019

Venue: Maxéville | Inspé de Lorraine, House for Science
("Maison pour la Science", MPLS)
(details will be given on day1)

9.00 - 12.30

What is the *House for Science*?

(**Dr Sébastien Giroux** and **Audrey Borr**).

This session will introduce the role of the House for Science in Inquiry-Based Science Education (ISBE) in France, before testing several activities (during the next sessions in the House for Science).

One of the roles of the House for Science is to "act" with young learners. We will observe them carrying out the task according to the guidelines.

12.30 - 13.30

Lunch at the restaurant of the Inspé de Lorraine, Maxéville.

Venue: Nancy | TeachLab Saint Gobin, site Libération

14.00 - 17.00

Lecture: the Lego® Serious play® method

Discovery and experimentation of the Lego® Serious play® method in a pedagogical environment

(**Dr Samuel Nowakowski**).

DAY 3 / Thursday, 05 December 2019

*Venue : Nancy | Campus Lettres et Sciences Humaines | ATILF | Bâtiment CNRS
Room Paul Imbs*

9.00 - 12.00

Lecture: "Mediation" in the field of Research and Teacher education:
Language at work: Presentation of a research project (PART 2)

(**Prof Dominique Macaire**, **Dr Séverine Behra**, **Dr Maud Ciekanski**, **Dr Guillaume Nassau**, **PhD Yazdan Choubsaz**).

12.15 - 13.30

Lunch on Campus LSH, Nancy.

*Venue: Nancy | History Museum on Campus LSH
Room: J008*

13.45 - 14.30

Lecture: History of the archeological museum from 1904 to 2019 :
building, teaching and learning archeology

(**Mathilde Romary**, EA 1132 HISCANT-MA)

*Venue: Nancy / MSH
Salle internationale*

14.45 - 15.45

Lecture: Auxiliary Sciences of Medieval History: Digital Teaching and Learning Tools

(**Elodie Papin**, EA 3945 CRUHL).

15.45 - 16.45

Lecture: Contribution of digital methods in archaeology to heritage management, promotion and teaching

(**Simon Ritz**, EA 1132 HISCANT-MA, Pôle Archéologique Universitaire).

DAY 4 / Friday, 06 December 2019

*Venue: Maxéville / Inspé de Lorraine, House for Science
("Maison pour la Science", MPLS)*

9.00 - 12.00

Lecture: Technology and science

(**Dr Sébastien Giroux, Audrey Borr, Anne Jacquemet, Dr Guillaume Nassau**).

This session will show the students different educational materials we use to teach Science and Technology to the young (and less young) learners.

Concept: living the IBSE for a better understanding of it. The students will be involved (in concrete)scientific and (technologic situations)to be solved by the IBSE.

12.15 - 13.30

Lunch at the restaurant of the Inspé de Lorraine, Maxéville.

*Venue : Nancy / Campus Lettres et Sciences Humaines / ATILF / Bâtiment CNRS
Room Paul Imbs*

14.00 - 16.30

Lecture: "Mediation" in the field of Research and Teacher education: Language at work:

Presentation of a research project (PART 3)

(**Prof Dominique Macaire, Dr Séverine Behra, Dr Maud Ciekanski, Dr Guillaume Nassau, PhD Yazdan Choubsaz**).

Nancy: Beginning of the festivities of Saint Nicholas.

DAY 5 & DAY 6 / Saturday, 07 & Sunday, 08 December 2019

Photo report in Nancy

City walk in the Christmas market, known here as the village of Saint-Nicholas.

6.15pm or 7.15pm

The “Winter Rendez-vous Place Stanislas” video-projection (an 8-minute show inviting the public to discover the legend of the 3 children).

DAY 7 / Monday, 09 December 2019

Venue: Nancy / Campus Lettres et Sciences Humaines

Room: A123

9.00 - 11.00

Workshop: Feedback on weekend activities: Photos and culture
(**Dr Cécile Bando** and **Dr Adeline Clerc**).

Activity: The students will choose some photographs which they consider to be representative of the cultural events of the weekend, as well as photographs representing best the atmosphere of the city during Saint Nicholas' time. They present their snapshots to the whole group and explain their choice as well as the way they have perceived this popular and cultural event and its highlights.

Lecture: Saint-Nicholas' Legend.

The legend will then be explained to the students only at this time in order to enable them to express their initial feelings and what they've understood from the Saint Nicholas' legend via the cultural events. The following discussion will be related to the popular representation of a legend by cultural events.

Venue: Maxéville / Inspé de Lorraine

Room B106

11.30 - 12.30

Lecture: “Mediation” in the field of Research and Teacher education:
Language at work: Presentation of a research project (PART4)
(**Prof Dominique Macaire**, **Dr Séverine Behra**, **Dr Maud Ciekanski**,
Dr Guillaume Nassau, **PhD Yazdan Choubsaz**).

12.30 - 13.30

Lunch at the restaurant of the Inspé de Lorraine, Maxéville.

13.30 - 16.00

Workshop: preparation of the oral presentations
(**Prof Dominique Macaire**, **Dr Séverine Behra**, **Dr Maud Ciekanski**,
Dr Guillaume Nassau, **PhD Yazdan Choubsaz**).

16.00 - 17.00

Lecture: Astronomy
(**Dr Sébastien Giroux** and **Audrey Borr**)

This session will show the students an educational material we use to teach Astronomy to the young (and less young) learners.

*Venue : Nancy / Campus Lettres et Sciences Humaines / ATILF / Bâtiment CNRS
Room Paul Imbs*

9.00 - 13.00

Oral presentations by the students

Evaluation

**(Prof Dominique Macaire, Dr Séverine Behra, Dr Maud Ciekanski,
Dr Guillaume Nassau, PhD Yazdan Choubsaz).**

13.00 - 14.30

Graduation ceremony & invitation to the closing meal.
