Dear said elhussein  
College of Arts

I would like to congratulate you for the approval of your research proposal, entitled **STRUCTURAL AND NORMATIVE TRANSFORMATIONS IN OMANI SOCIETY AND THEIR IMPACT ON YOUNG PEOPLE'S PERCEPTIONS OF OBTAINING WORK** على التحولات البنوية والمعيارية في المجتمع العماني وأثرها على تصورات الشباب في الحصول على عمل

Your research project will be funded from the Internal Grants as follows:

2024	2025	Grant Total (OMR)
3450	3550	7000

This project has been assigned the code number **IG/ART/SOCI/24/01** which shall be used in all correspondences related to the project. Please take note of the following important Collaborative research grants management guidelines:

1. The paperwork for recruiting expatriate research support staff (RA, Postgraduate Student, Postdoc, Visiting Consultant) from outside Oman, should be submitted at least two months before the contract start date.
2. No research support staff can start working until a contract is fully approved and signed. The Deanship of Research will not be responsible for any payments of research support staff for back dated or expired contracts.

To activate the budget, progress reports shall be submitted annually. A final report shall be submitted by the end of the project. Please refer to the University Research Regulations, Research Grant Budget Guidelines and Researcher Guide available on the Deanship of Research website for other important information.

I would like to take this opportunity to wish you every success in your research activities.

Best Regards,  
Dean of Research
